

**BREAD. THE WAY IT
OUGHT TO BE!**

NEW!!!

Sprouted Wheat

Let's keep the New Year's resolutions rolling with some whole-grain breads. Not only are they incredibly nutritious, but they keep you full longer.

To help, we're introducing **Sprouted Wheat**. It's got amazing flavor and a really nice crunch.

Did you know that our wheat is also non-GMO? Nutritious, delicious & part of a well-balanced, purposeful diet.

As always, thanks for trusting us to bake your family's breads and goodies.
