Here at Great Harvest we believe in giving generously to others. We welcome opportunities to support our community through joint fundraising efforts and would love to see how we can help your organization as well.

## Our Raising the Dough Fundraising Guidelines:

- We work with non-profit organizations in the St. Croix Valley serving our local community.
- Jointly with your organization, we chose a week from which we donate 10% of sales for bakery items purchased in your organization's name.
- We assume that you will promote your fundraising efforts throughout the organization and the community in which we live and work.
- We will help you promote your fundraising efforts through our own marketing efforts.
- We can properly consider your application when it is submitted on this form rather than by telephone. Please supply as much information about your organization as possible.
- Fundraising requests are taken on a first-come first-serve basis.
